Fim da ponte eu volta

Another word to say
When everything's ok you down
And pulling up the slack
And never coming back
An alarm

Ringin' to set the sun
No one ever becomes

What others thought they should've been
Inside they're what they can see

You know I do miss this girl
To show I am in a swirl of sun
Being what I've got
The joy

Db Ab Eb Bbm
I canceled heaven I concede
Db Ab Eb Bbm
Everything that I believe
Db Ab Eb Bbm
I canceled heaven I concede
