John Legend - Conversations In The Dark

```
                       tom:
               A (forma dos acordes no tom de G )
Capostraste na 2ª casa

            A                                       Dbm
Talk, let's have conversations in the dark
                      Gbm          D
World is sleep, I'm awake with you, with you
   A                                 Dbm
Watch movies that we've both already seen
                            Gbm
I ain't even looking at the screen, it's true
          D
I've got my eyes on you

                   E          Gbm
And you say that you're not worthy
          A          E
You get hung up on your flaws
       D         E      Gbm            E
But in my eyes, you are perfect as you are

   A
I won't ever try to change you, change you
   Dbm
I will always want the same you, same you
    Gbm
Swear on everything I pray to
     D          E           A
That I won't break your heart
A
I'll be there when you get lonely, lonely
Dbm
Keep the secrets that you told me, told me
Gbm
And your love is all you owe me
    D         E         A
And I won't break your heart

   A                                  Dbm
On Sunday mornings, we sleep in 'til noon
                          Gbm          D
Well, I could sleep forever next to you, next to you
    A                          Dbm
And we, we got places we both gotta be
                              Gbm
But there ain't nothing I would rather do
                    D
Than blow off all my plans for you

                   E          Gbm
And you say that you're not worthy
```
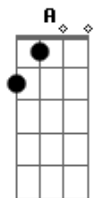

```
               A               E
And get hung up on your flaws
       D         E      Gbm           E
But in my eyes, you are perfect as you are
As you are

A
I won't ever try to change you, change you
Dbm
I will always want the same you, same you
Gbm
Swear on everything I pray to
         D      E       A
That I won't break your heart
A
I'll be there when you get lonely, lonely
Dbm
Keep the secrets that you told me, told me
Gbm
And your love is all you owe me
    D         E         A
And I won't break your heart

               E
When no one seems to notice
Gbm
And your days, they seem so hard
E                            Gbm
My darling, you should know this
E
My love is everywhere you are

A
I won't ever try to change you, change you (yeah)
Dbm
I will always want the same you, same you (oh, oh)
Gbm
Swear on everything I pray to
         D      E         A
That I won't break your heart (yeah, yeah)
A
I'll be there when you get lonely, lonely (oh, when you get
lonely)
Dbm
Keep the secrets that you told me, told me (yeah, yeah)
Gbm
And your love is all you owe me
    D         E
And I won't break your heart

Dbm       Gbm
Ooh, ooh, ooh
D             E
I won't break your heart
