

John Lennon - Attica State

 What a waste of human power
 What a waste of human lives,
 shoot the prisoners in the towers
 Forty-three poor widowed wives

Media blames it on the prisoners,
 But the prisoners did not kill
 "Rockefeller pulled the trigger"
 That's what the people feel.

 Attica state, Attica state
A **E**
 we're all mates with Attica state.

Free the prisoners, free the judges
 Free all the prisoners everywhere,

All they want is truth and justice
 All they need is love and care

They all live in suffocation,
 Let's not watch them die in sorrow,
 Now's the time for revolution,
 Give them all chance to grow.

Attica state.....

Come together join the movement,
 Take a stand for human rights,
 Fear and hatred clouds our judgement,
 Free us all from endless night,

Attica state...
 We are all mates...
 We all live in.....
G **A** **E**
 Attica, Attica, Attica state.
