

John Lennon - Born In a Prison

Tom: D

C Cm G A

We're born in a prison, raised in a prison
Send to a prison called school,
We cry in a prison, We love in a prison,
We dream in a prison, like fools.
Wood becomes a flute when it's loved,
reach for yourself and your battered mates.
Mirror becomes a razor when it's broken,
Look in the mirror and see your shattered fate.

C Cm G A

We live with no reason, kicked round for no reason,
Thrown out without reason like tools.
Work in a prison and hate in a prison
And die in a prison as a rule.
Wood becomes a flute when it's loved,
reach for yourself and your battered mates.
Mirror becomes a razor when it's broken,
Look in the mirror and see your shattered fate.

We live in a prison among judges and wardens
And wait for no reason or use
We laugh in a prison, go through all four seasons
And die with no vision or truth
Wood becomes a flute when it's loved,
reach for yourself and your battered mates.
Mirror becomes a razor when it's broken,
Look in the mirror and see your shattered fate.
