[Primeira Parte]

There's always been - this kind of dream
 A super love - a cosmic supreme
 As I recall - since I was young
 I've had Your name - On the tip of my tongue

[Refrão]

I have wanted You all my life, oh
 I have wanted You all my life, oh

[Segunda Parte]

Stars in the void - talk about You

Celestial sounds - echoing through

We orbit around - the house of Your heart
 Gravity draws us - back to the start

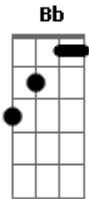

[Refrão]

I have wanted You all my life, oh
 I have wanted You all my life, oh
 I have wanted You all my life, oh
 I have wanted You all my life, oh

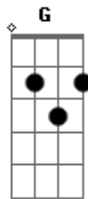

[Ponte]

And it's You ----- Holding it all together
 And it's You ----- Holding it all together
 And it's You ----- Holding it all together
 And it's You ----- Holding it all together
