

John Mark McMillan - Closer

Tom: **D**

Come closer, closer to me.
 Find me broken, find me bleeding
 cause I need more now than a fairy tale,
 a God who lives in a book. I need someone real.

Refrão

So would you come? Would you come?
 If I begged You, would You come closer to me now?

Verso 2

Come closer, closer to me.

Find me broken, find me on my knees,
 cause I need more now than philosophy.
 Some God in outer space doesn't mean anything to me.

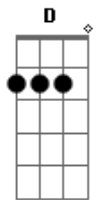

Refrão x2

(0 solo termina em **D**)

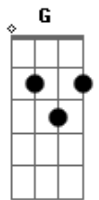

Son of David, don't pass me by,
 cause I am naked, I'm poor and I'm blind.
