Verse 1

You ^{**D**}step into my ^{**D**}emptiness until it's all ^{**D**}gone
You ^{**D**}slide into my ^{**D**}starless night and You ^{**D**}shine like the ^{**D**}sun
You ^{**D**}chase away the ^{**D**}loneliness whenever You ^{**D**}come around
so ^{**D**}come on and ^{**D**}take off Your ^{**D**}camouflage Lord and let me ^{**D**}see
You ^{**D**}now

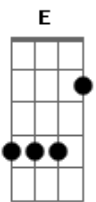

Bm **Bm7** **Bm** **Bm7** **A** **A** **A** **A**
I just want You to hang around, I just want You to stay
Bm **B7** **Bm** **Bm7** **G** **A**
I just want You to hang around and stay, and stay

I need You in the ^{**E**}morning, I need You in the ^{**G**}evening
and when the sun ^{**D**}goes ^{**A**}down
I need You in the ^{**E**}daytime, I need You in the ^{**G**}nighttime
and when the sun ^{**D**}goes ^{**A**}down
It's ^{**E**}getting cold outside, it's ^{**G**}getting dark outside
Sit by the fire of Your ^{**D**}eyes, sit by the fire of Your ^{**A**}eyes
It's ^{**E**}getting cold outside, it's ^{**G**}getting dark outside
Sit by the fire of Your ^{**D**}eyes ^{**A**}
