

John Mark Pantana - Sweeter

tom:

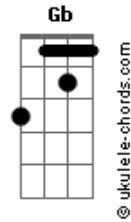

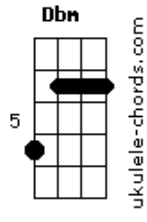

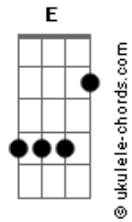

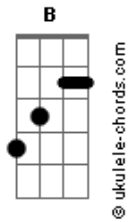

B

I've tried about everything
 They never last those flings
 I know that you only will do
 I wanted everything
 You are just that to me
 And I never want to leave

You are like fine wine
 Better, better all the time

You've been
 You've been
 And you'll always be
 That sweetest thing that I'll ever taste

Acordes

Every day every day?

You are sweeter
 Sweeter than anything
 I've ever tasted
 Sweeter
 Sweeter than anything
 I've ever tasted

I've tasted and I've seen
 Nothing else can compete
 I know that you only will do
 You gave me everything
 You are the prize to me
 And I never want to leave
