

John Mayer - A Break In The Clouds

Tom: Bb

Bb Eb Ab Ab
I met a man I didn't know that asked me "how are you doing?"
Bb Eb Ab Ab
Shoulda just said fine cause it's all he wanted to hear
Bb Eb Ab Ab
But for reasons unknown in a sorrowful tone I said
Bb Eb Ab Ab
Man it's been a hell of a year

Bb Eb Ab Ab
And I don't really know where I'm going
Bb Eb Ab Ab
And I might just be hangin' around
Bb Eb Ab Ab
If life shades of gray then I guess you could say
Bb Eb Ab Ab
That I've been waiting for a break in the clouds

Bb Eb Ab Ab
I went to go see some gypsy to tell me my future
Bb Eb Ab Ab
But she asked for my photograph instead
Bb Eb Ab Ab
As I walked through the cold with my fortune untold I said
Bb Eb Ab Ab
Good luck trying to reach me when I'm dead

Bb Eb Ab Ab
Cause I don't really know where I'm going
Bb Eb Ab Ab
And I might just be hangin' around
Bb Eb Ab Ab

If life shades of gray then I guess you could say
Bb Eb Ab Ab
That I've been waiting on a break in the clouds
Bb Eb Ab Ab
That I've been waiting for a break in the clouds

Bb Eb Ab Ab
I saw the love I used to know swallow me whole
Bb Eb Ab Ab
On a day I was out of clean clothes
Bb Eb Ab Ab
She sized me up and she said "honey, how is your head?"
Bb Eb Ab Ab
I said "you can't call me honey, but honey heaven only knows"

Bb Eb Ab Ab
And I don't really know where I'm going
Bb Eb Ab Ab
And I might just be hangin' around
Bb Eb Ab Ab
If life shades of gray then I guess you could say
Bb Eb Ab Ab
That I've been waiting for a break in the clouds

Bb Eb Ab Ab
Bet your gonna be finding a break in the clouds
Bb Eb Ab Ab
No, no, I don't, no, I don't know where I'm going
Bb Eb Ab Ab
And I might might might might just be hangin' around
Bb Eb Ab Ab
And if life shades of gray then I guess you could say
Bb Eb Ab Ab
That I've been waiting for a break in the clouds
