

John Mayer - Clarity

Tom: Bb

D
I worry, I weigh three times my body
D **G**
I worry, I throw my fear around
D **G**
But this morning, there's a calm I can't explain
D **G**
The rock is melted, only diamonds now remain

G **D**
Ooh ooh
G **D7**
Ooh ooh

G **D**
By the time I recognize this moment
G **D**
This moment will be gone
G **D**
But i will bend the light pretending
G **D**
That it somehow lingered on

G **D**
Ooh ooh
G **D7**
Ooh ooh

G **Gm** **Bm**
And i will wait to find
G **Gm** **Bm**
If this will last forever
G **Gm** **Bm**
And i will wait to find
G **Gm** **Bm**
If this will last forever
G **Gm** **Bm**
And i will pay no mind
G **Gm** **Bm**
When i won't and it won't because it

G **D**
can't, it just can't
G **D**
It's not supposed to

G **D**
Was there a second in time that i looked around
G **D**
Did i sail throught or drop my anchor down
G **D**
Is anything enough to kiss the ground
G **D**
And say I'm here now and she is here now

G **D**
Ohh ohh
G **D7**
Ohh ohh

F **Bb** **Eb**
So much wasted in the afternoon
F **Bb** **Eb**
So much sacred in the month of June
Ab
How about you
D

G **Gm** **Bm**
And i will wait to find
G **Gm** **Bm**
If this will last forever
G **Gm** **Bm**
And i will wait to find
G **Gm** **Bm**
When i won't and it won't cause it
G **Gm** **Bm**
And i will pay no mind
G **Gm** **Bm**
Worry about the way the weather
G **Gm** **Bm**
And i will waste no time
G **Gm** **Bm**
Remembering our life together

G **Gm** **Bm**
Haaa, Haaa, Haaa, Haaa (4x)

Acordes
