

John Mayer - Covered In Rain

Tom: **F**

Covered in Rain (City Love outro)
transcribed by Alan Myers

Drop **D** tuning

Part A: whole song (intro, verse, chorus)

These days with the world getting colder
She spends more time sleeping over
Than I planned

Tonight were gonna order in
Drinking wine and watching CNN
It's dark I know but then again
It's the brightest thing I got

Cause I'm covered in rain
No I'm covered in rain

Fire woods to fire places
Summer stolen, fallen places

People watching, all the people watching, everybody watching
me
Standing by the missing signs at the CVS by the checkout line
She puts her quiet hands in mine
Cause she's the brightest thing I got

When you're covered in rain
Cause I'm covered in rain
Cause I'm covered in rain
No I'm covered in rain

It's alright
If you dont want to go on
It's alright
If you dont want to be alone
It's alright
If you dont want to go home

I understand
I understand
I understand
You and me and everyone, covered in rain
