John Mayer - Gravity
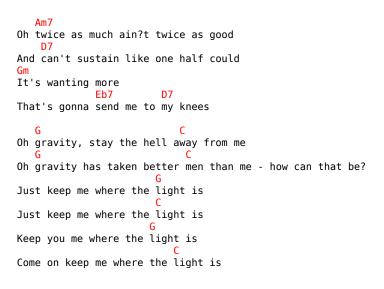

```
Tom: G
Intro: G  G  C  C

G                     C
Gravity is working against me
G                           C
And gravity wants to bring me down

          Am7
Oh I'll never know what makes this man
    D7
With all the love that his heart can stand
Gm          Eb7        D7
Dream of ways to throw it all away

G                     C
Gravity is working against me
    G                       C
And gravity wants to bring me down

   Am7
Oh twice as much ain?t twice as good
     D7
And can't sustain like one half could
Gm
It's wanting more
            Eb7         D7
That's gonna send me to my knees

Interludio/Solo: G  G  C  C (2x)
```

```
       Am7
Oh twice as much ain?t twice as good
       D7
And can't sustain like one half could
Gm
It's wanting more
            Eb7         D7
That's gonna send me to my knees

    G                       C
Oh gravity, stay the hell away from me
    G                             C
Oh gravity has taken better men than me - how can that be?
                          G
Just keep me where the light is
                            C
Just keep me where the light is
                          G
Keep you me where the light is
                          C
Come on keep me where the light is
```
