Tom: C
I am not done... changing
Out on the run... changing
Am7
G
I may be old and I may be young
But I am not done... changing
I met me someone one... changing
G C
We had some fun... changing Am7
Sometimes I wonder if she'll be the one
When I am done... changing
G C
Some of us stopped running
G C
Some of us went home
Am
F F G G
So we'll build one of our own

G C
Friends may have their fences
G C
"Look at that, that's strange"
Am7 C
Wondering when I'm gonna come to my senses
F Fadd9b5
But I'm still changing
F Fadd9b5
I can't change my old ways

I see the sky... changing G C
Reminds me that I am... changing Am7
Wish I could tie me a rope 'round the sun

```
Cause I am not done... changing
G C
At times, they talk to me
    G
Whisper in my ear
            Am7
Say "Follow your heart
            C
Till it tears you apart"
            F Fadd9b5
But hearts keep changing
            F Fadd9b5
But hearts keep changing
    Am Amadd#5
Hearts keep changing
    Am Amadd#5
Hearts keep on changing
