Intro: Midnight lock all the doors and turn out the lights Feels like the end of the world this Sunday night

There's not a sound Outside the snow's coming down and somehow I can't seem to find the quiet inside my mind

3:02 the space in this room has turned on me and all my fears have cornered me here me and my TV screen

The volume's down
Blue lights are dancing around
and still, I can't seem to find
the quiet inside my mind

Daylight is climbing the walls cars start and feet walk the halls The world awakes and now I am safe at least by the light of day
