Take all of your wasted honor
Every little past frustration
Take all of your so-called problems
Better put 'em in quotations

CHORUS: (main riff)
Say what you need to say (8x)

Walkin' like a one man army
Fightin' with the shadows in your head
Living out the same old moment
Knowing you'd be better off instead... if you could only

Say what you need to say

Say what you need to say (4x)

BRIDGE:

Have no fear for giving in
Have no fear for giving over
You better know that in the end
It's better to say too much
Than never to say what you need to say again

(main riff)

Even if your hands are shaking
And your faith is broken
Even as the eyes are closing
Do it with a heart wide open
