

# John Mayer - Shouldnt Matter But It Does

tom: E

Should've been open  
Should have done more  
Should've learned the lesson  
From the year before

Should've been honest  
Should've just cried  
Should've told me there was  
Nothing left inside

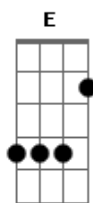

Now the road keeps  
Rolling on forever  
And the years keep  
Pulling us apart  
We lost something  
I still wonder what it was  
Shouldn't matter  
Shouldn't matter but it does

( E Abm Dbm Aadd9 )  
You shoulda just broken  
You shoulda come clean  
You shoulda been sad instead  
Of being so fucking mean

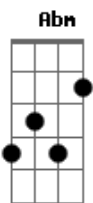

It shouldn't be easy  
But it shouldn't be hard  
You shouldn't be a stranger  
In your own backyard

Now the road keeps  
Rolling on forever

And the years keep  
Pulling us apart  
I know it's over  
I'm just saying this because

It shouldn't matter  
Shouldn't matter, but it does

( A E B )  
( A E B )  
( A E B )  
( A E Dbm B )  
I shouldn't be angry  
I shouldn't hold on  
I shouldn't leave messages

In every little song  
It could have been always  
It could have been me  
We could have been busy naming  
Baby number three

Now the road keeps  
Rolling on forever  
And the years keep  
Pulling us apart  
If it's on someone then  
I blame the both of us

It shouldn't matter  
Shouldn't matter, but it  
Shouldn't matter  
Shouldn't matter, but it  
Shouldn't matter  
Shouldn't matter, but it does
