

Intro: Dbm7 Aadd9 E

John Mayer - Slow Dancing In A Burning Room

tom:

```
Dbm7
It's not a silly little moment
             Aadd9
It's not the storm before the calm
           Dbm7
This is the deep and dying breath of
                  Aadd9 E
This love we've been working on
              Dbm7
Can't seem to hold you like I want to
         Aadd9
                     E
So I can feel you in my arms
         Dbm7
Nobody's gonna come and save you
                 Aadd9 E
We pulled too many false alarms
We're going down
            Dbm7 Aadd9
And you can see it too
We're going down
                        Aadd9
        Dbm7
And you know that we're doomed
                                 Aadd9
My dear, we're slow dancing in a burning room
Riff 1
(Dbm7 Aadd9 E)(2x)
I was the one you always dreamed of
            Aadd9
You were the one I tried to draw
            Dbm7
How dare you say it's nothing to me
                           Aadd9
Baby, you're the only light I ever saw
             Dbm7
```

```
I'll make the most of all the sadness
           Aadd9
You'll be a bitch because you can
           Dbm7
You try to hit me just to hurt me
So you leave me feeling dirty
           Aadd9
Because you can't understand
We're going down
                    Aadd9
           Dbm7
And you can see it too
We're going down
                          Aadd9
        Dbm7
And you know that we're doomed
                                 Aadd9
  Dbm7
My dear, we're slow dancing in a burning room
Solo:
```

Acordes
