

John Mayer - Split Screen Sadness

Tom: **G**

G
And i don't know where you went when you left but

C
Says here in the water you must be gone by now
I can tell somehow

G
One hand on the trigger of the telephone
Wondering when the call comes

C
Where you say it's alright
You got your heart right

Pre-Chorus:

Am
Maybe I'll sleep inside my coat and

D **D**
Wait on the porch 'til you come back home

G
Oh, right

C
I can't find a flight

G
We share the sadness
The split screen sadness

G
Two wrongs make it all alright tonight
Two wrongs make it all alright tonight

C
Two wrongs make it all alright tonight
Two wrongs make it all alright tonight

Verse 2:

G
All you need is love is a lie cause
We had lov but we still said goodbye

C
Now we're tired, battered fighters

G
And it stinks when it's nobody's fault
Cause there's nothing to blame at the drop of your name

C
It's only the air you took and the breath you left

Reprise:

Am
Maybe I'll sleep inside my coat and

D **D**
Wait on the porch 'til you come back home

G
Oh, right

C
I can't find a flight

Am
So I'll check the weather wherever you are

D **D** **G**
Cause I wanna know if you can see the stars tonight

C
It might be my only right

G
We share the sadness
The split screen sadness

C
We share the sadness
The split screen sadness

Violin Solo

G
I called
Because
I just

C
Need to feel you on the line
Don't hang up this time

G
and I know it was me who called it over but

C
I still wish you'd fought me 'til your dying day
Don't let me get away

Am
Cause I can't wait to figure out what's wrong with me

D **D**
So I can say this is the way that i used to be

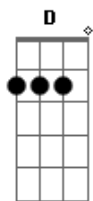

G **C**
There's no substitute for time

G
Or for the sadness
Split screen sadness

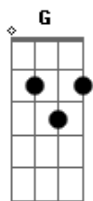

C
We share the sadness
Split screen sadness
