John Mayer - Waiting On the World to Change

```
Tom: D
Intro: D  Bm  G  D
        A  Bm  G  D
```

```
 D               Bm
me and all my friends
    G                 D
we're all misunderstood
    A              Bm
they say we stand for nothing and
   G            D
there's no way we ever could
```

```
 D                     Bm
now we see everything that's going wrong
      G             D
with the world and those who lead it
       A              Bm
we just feel like we don't have the means
   G          D
to rise above and beat it
```

```
        D          Bm
so we keep waiting
          G         D
waiting on the world to change
        A        Bm
we keep on waiting
          G         D
waiting on the world to change
```

```
      D              Em
it's hard to beat the system
         Bm          Em
when we're standing at a distance
        A          Bm
so we keep waiting
          G         D
waiting on the world to change
```

```
     D               Bm
now if we had the power
         G                        D
to bring our neighbors home from war
                          A        Bm
they would have never missed a Christmas
        G            D
no more ribbons on their door
```

```
            D           Bm
and when you trust your television
       G             D
what you get is what you got
                      A          Bm
```

```
cause when they own the information, oh
             G                  D
they can bend it all they want
```

```
                    D        Bm
that's why we're waiting
          G         D
waiting on the world to change
            A        Bm
we keep on waiting
          G         D
waiting on the world to change
```

```
         D                    Em
it's not that we don't care,
         Bm                 Em
we just know that the fight ain't fair
          A        Bm
so we keep on waiting
          G         D
waiting on the world to change
```

```
Solo: D  Bm  G  D
                    D            Bm
and we're still waiting
          G         D
waiting on the world to change
            A        Bm
we keep on waiting
          G         D
waiting on the world to change
```
```
          D           Em
one day our generation
         Bm               Em
is gonna rule the population
          A        Bm
so we keep on waiting
          G         D
waiting on the world to change
```
```
            A        Bm
we keep on waiting
          G         D
waiting on the world to change
```

```
            A        Bm
we keep on waiting
          G         D
waiting on the world to change
          G         D
waiting on the world to change
          G         D
waiting on the world to change
          G         D
waiting on the world to change
```
