Tom: **D**

Intro: 2x: **D**

Primeira Parte:

Your love is <sup>**D**</sup>bright as ever  
Even in the shadows  
Baby, <sup>**G**</sup>kiss me  
Before they turn the lights <sup>**D**</sup>out  
Your heart is <sup>**D**</sup>glowing  
And I'm crashing into you  
Baby, <sup>**G**</sup>kiss me, kiss me  
Before they turn the lights <sup>**D**</sup>out  
Before they turn the lights out  
Oh, baby love me lights out

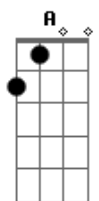

Refrão:

<sup>**D**</sup>In the darkest night, I'll  
<sup>**Bm**</sup>I'll search through the crowd  
Your face is <sup>**G**</sup>all that I see  
I'll give you <sup>**A**</sup>everything  
Baby, love me <sup>**D**</sup>lights out  
Baby, love me lights out

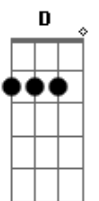

Segunda Parte:

We don't have <sup>**D**</sup>forever  
Baby daylight's wasting  
You better <sup>**G**</sup>kiss me  
Before our time is <sup>**D**</sup>run out  
Nobody sees what we see  
They're just hopelessly gazing  
Oh baby, <sup>**G**</sup>take me, take me  
Before they turn the lights <sup>**D**</sup>out
