

John Michael Howell - Beauty And a Freak

tom:
Capostrate na 1ª casa
Intro: C G Am F

[Primeira Parte]

C G
Sometimes I question my own humanity
Am F
When I see my reflection, I don't know who's lookin' back at me
C G
I'm just so broken, and you're so complete
Am F
And I'm completely lost, hopin' that you'll find

[Ponte]

F G
There's a heart inside of me that's worth a second glance
C
But the hard reality is I'll never get that chance

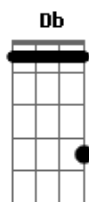

[Refrão]

C G
'Cause I'm just a monster, I'm just a freak
Am F
A beauty like you was ne-never meant for me
C G
Oh was it not foolish for me to believe
Am F
That you could ever see m? as more than a beast?
C G
You're so b?autiful, you're so beautiful
Am F
You deserve better than me
C G
It's so pitiful, it's so pitiful
Am F
Who could ever fall~~~ for a freak like me?(For a freak like me)

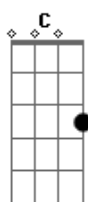

[Segunda Parte]

C G
I thought you could change me, rewind the past
Am F

And rebuild the rose fadin' out in the glass
C G
But it's all just a daydream, you can't change it back
Am F
And you would be crazy to love me like that

[Refrão]
