

# John Michael Howell - Delusional

tom:  
A (forma dos acordes no tom de G )  
Capostrate na 2ª casa

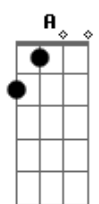

I'm not the one that you call to talk to when you can't sleep  
I'm just a fly on the wall, the shoulder you never need  
But darlin', you're my everything  
And I just wanna make you see everything that we could be  
Could we? Hm  
[Pré-Refrão]

My friends say that I'm insane about you  
And maybe it's true  
[Refrão]

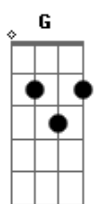

I might be delusional  
But girls like you ain't usual  
I know it's fantasy to think you'll fall for me  
But in my mind, we're beautiful  
So, before you go and ruin my reality  
Could you let me dream just a little  
'Cause I might be delusional, delusional for you (Oh)  
[Segunda Parte]

I'm asking all of your friends if I ever cross your mind  
(Yeah)

They say it's all in my head, that I shouldn't waste my time  
But darling, I will wait right here, even for a thousand years  
I wanna be the one you're near, oh
