

John Michael Howell - Missing Piece

tom:

Gm (forma dos acordes no tom de Em)

Capostrate na 3ª casa

Sailed the endless tides, looking far and wide
 Trying to fill the hole buried deep inside
 I was out of hope till I looked in your eyes
 Swear my world lit up the moment you arrived
 Been lookin' for the one, and you're the missin' piece
 Of me, I searched the farthest sea
 And everything between us feels like treasure that I seek
 The moment we locked eyes, I felt it deep inside of me
 You're my missing piece

Em
 Mm-mm-mm-mm-mm
 Em
 Mm-mm-mm-mm-mm

Though my boat may shake out upon the blue
 I don't fear the waves 'cause they led me to you
 I felt it in my chest, the moment we aligned

Till my final breath, I'll love you all my life
 Been lookin' for the one, and you're the missin' piece
 Of me, I searched the farthest sea
 And everything between us feels like treasure that I seek
 The moment we locked eyes, I felt it deep inside of me
 You're my missing piece
 Oh-oh-oh-oh-oh
 Oh-oh-oh-oh-oh
 Oh-oh-oh-oh-oh
 Oh-oh-oh-oh-oh
 You're the missin' piece
 Of me, I searched the farthest sea
 And everything between us feels like treasure that I seek
 The moment we locked eyes, I felt it deep inside of me
 You're my missing piece
