

John Newman - Fire In Me

Tom: C

apotraste na 3ª casa Em
Never gonna let you go

Em
I'm never gonna let you go

Em
I'm starting with my intuition

G
I'm starting with my strengths

Bm
I'm getting back my old ambitions

A
Returning once again

Em
My knuckles are so red and raw

G
From breaking through these walls

Bm
Sick of all the others talk

A
And I left her of my fault

Em G Bm A
I was a spark in the night but you drown me out
Em G Bm A
So I'll take the walls inside and I'll burn them down

A
'Cause I still got a fire in me

Em
I never wanna let it go

Em
I never wanna let it go

G Bm A
I-I-I-I still got a fire in me

Em
I never wanna let it go

Em
I never wanna let it go

G Bm A
I-I-I-I still got a fire in me

Em

G Bm A
I-I-I-I still got a fire in me

Em
I've dealt with all my evils

G
And I'm dealing with them twice

Bm
There will never be a sequel

A
And the curtain will never rise

Em
Although my body has been aching

G
I held on to the ropes, oh no

Bm

I've never left the ring, yeah

A
And I won't be letting go

'Cause I still got a fire in me

Em
I never wanna let it go

Em
I never wanna let it go

I-I-I-I still got a fire in me
