

John Waite - Missing You

tom:

E

Every time I think of you, I always catch my breath
And I'm still standing here, and you're miles away
And I'm wonderin' why you left
And there's a storm that's raging through my frozen heart
Tonight

I hear your name in certain circles
And it always makes me Smile
I spend my time thinkin about you
And it's almost driving Me wild
And there's a heart that's breaking down this long distance
Line tonight

I ain't missing you at all
Since you've been gone away
I ain't missing you, no matter what I might say
There's a message in the wire, and I'm sending you this
Signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight
