

John Waite - Missing You

tom:

Every time I think of you, I always catch my breath
 And I'm still standing here, and you're miles away
 And I'm wonderin' why you left
 And there's a storm that's raging through my frozen heart
 Tonight

I hear your name in certain circles
 And it always makes me smile
 I spend my time thinkin about you
 And it's almost driving me wild
 And there's a heart that's breaking down this long distance
 Line tonight

I ain't missing you at all
 Since you've been gone away
 I ain't missing you, no matter what I might say
 There's a message in the wire, and I'm sending you this
 Signal tonight
 You don't know how desperate I've become
 And it looks like I'm losing this fight

In your world, I have no meaning
 Though I'm trying hard to understand
 And it's my heart that's breaking down this long distance
 Line tonight

I ain't missing you at all since you've been gone away
 I ain't missing you, no matter what my friends say

And there's a message that I'm sending out
 Like a telegraph to your soul
 And if I can't bridge this distance
 Stop this heartbreak overload

I ain't missing you at all since you've been gone away
 I ain't missing you, no matter what my friends say
 I ain't missing you, I ain't missing you, I couldn't lie to myself

And there's a storm that's raging
 Through my frozen heart tonight

I ain't missing you at all since you've been gone away
 I ain't missing you, no matter what my friends say

Acordes
