

Johnny Cash - All Over Again

Tom: **A**

Ev'ry time **A** I look at you, I fall in love, all over again. **E**

Ev'ry time I think of you, it all begins, all over again. **A**

D One little dream at night and I can dream all day.

A It only takes a memory to thrill me.

D One little kiss from you and I just fly away.

A Pour me out your love until you fill me. **E**

A I want to fall in love, beginning from the start, all over again. **D**

Show me how you stole away my heart, all over again. **A** **E** **A**
