Intro: (Electric):
This is what the electric does curing the singing:
Chords:
Early one mornin' while makin' the rounds
I took a shot of cocaine and I shot my woman down
I went right home and I went to bed
I stuck that lovin' 44 beneath my head
Got up next mornin' and I grabbed that gun
Took a shot of cocaine and away I run
Made a good run but I ran too slow
They overtook me down in Juarez Mexico
Late in the hot joints takin' the pills
In walked the sheriff from Jericho Hill
He said Willy Lee your name is not Jack Brown
You're the dirty heck that shot your woman down
Said yes, oh yes my name is Willy Lee
If you've got the warrant just a-read it to me
 Shot her down because she made me sore
```

I thought I was her daddy but she had five more When I was arrested I was dressed in black They put me on a train and they took me back Had no friend for to go my bail They slapped my dried up carcass in that county jail Early next mornin' bout a half past nine I spied the sheriff coming down the line Ah, and he coughed as he cleared his throat He said come on you dirty heck into that district court Into the courtroom my trial began Where I was handled by twelve honest men Just before the jury started out I saw the little judge commence to look about In about five minutes in walked the man Holding the verdict in his right hand The verdict read murder in the first degree I hollered Lordy Lordy, have a mercy on me The judge he smiled as he picked up his pen 99 years in the Folsom pen 99 years underneath that ground I can't forget the day I shot that bad bitch down Electric during the singing: Outro Chords: Come on you've gotta listen on to me

Lay off that whiskey and let that cocaine be.
