

# Johnny Cash - Cry, Cry, Cry

Tom: **E**

**E**  
Everybody knows where you go when the sun goes down

**Gb B7**  
I think you only live to see the lights up town

**E**  
I wasted my time when I would try, try, try

**A**  
'Cause when the lights have lost their glow

**B7 E**  
You'll Cry, Cry, Cry

**E**  
Soon your sugar daddies will all be gone

**Gb B7**  
You'll wake up some cold day and find you're alone

**E**  
You'll call for me but I'm gonna tell you bye, bye, bye

**A B7 E**  
When I turn around and walk away you'll Cry, Cry, Cry

1st BRIDGE:

**E**  
You're gonna Cry, Cry, Cry and you'll cry alone

**A E**  
When everyone's forgotten and you're left on your own

**B7 E**

You're gonna Cry, Cry, Cry

**E**  
I lie awake at night to wait till you come in

**Gb B7**  
You stay a little while and then you're gone again

**E**  
Every question that I ask, I get a lie, lie, lie

**A B7 E**  
For every lie you tell, you're gonna Cry, Cry, Cry

**E**  
When your fickle love gets old no one will care for you

**Gb B7**  
Then you'll come back to me for a little love that's true

**E**  
I'll tell you NO! and you'll ask me why, why, why

**A B7 E**  
When I remind you of all of this, you'll Cry, Cry, Cry

2nd BRIDGE:

**E**  
You're gonna Cry, Cry, Cry and you'll want me then

**A E**  
It'll hurt when you think of the fool you've been

**B7 E**  
You're gonna Cry, Cry, Cry

## Acordes
