

# Johnny Cash - Girl From Saskatoon

Tom: A

A  
0oo, 0ooo, 0oooo, 0oooo, 0ooo, 0oo, wah wah wah wahhh

A E A  
I left a little town a little south of Hudson Bay  
I couldn't find a thing to make a rounder want to stay  
A D A  
I fought the wind across the barren waste and the crystal dunes  
E A  
Goin' for to marry the girl from Saskatoon

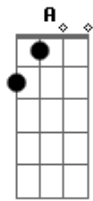

E A  
I'm glad I realized that no one could take her place  
B E  
My heart was beatin' for her like the winter beat my face  
A D A  
But knowin' that I'd see her made my spirit bright as June  
E A  
I'm freezin' but I'm burnin' for the girl in Saskatoon

A E A  
0oo, 0ooo, 0oooo, 0oooo, 0ooo, 0oo, wah wah wah wahhh  
E A

South and west and followin' the cold December sun  
B E  
I bedded down in the caragana when my daily trek was done  
A D A  
Then up and pressin' onward by the light of the morning moon  
E A  
A prodigal returnin' to the girl in Saskatoon

A E A  
0oo, 0ooo, 0oooo, 0oooo, 0ooo, 0oo, wah wah wah wahhh  
E A  
Then I found a trail that had packed beneath the snow  
B E  
I made the final miles where the prairie lilies grow  
A D A  
A steeple on a church glistened by the prairie moon  
E A  
I'm freezin' but I'm burnin' for the girl in Saskatoon  
E A  
But my journey was forgotten when I held her in my arms  
B E  
My wonderlust was stifled by possession of her charms  
A D A  
And kneeling neath the steeple where we couldn't wait till June  
E A  
I found eternal spring with the girl in Saskatoon
