

Johnny Cash - I Am A Pilgrim

Tom: **A**

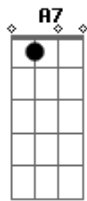

I am a pilgrim, and a stranger **A A7 D**
 Travelling through, this wearsome land **G D**
 I've got a home in, that yonder city, good Lord **G**
 And it's not, not made by hand **A D**
 I've got a mother, got a sister and brother **A**
 Who have go on, this way before **G D**
 I am determined, to go and see them, good Lord **G**
 Over on, that other shore **D A D**
 I am a pilgrim, and a stranger **A A7 D D7**
 And it's not, not made by hand **G D**

Travelling through, this wearsome land **G**
 I've got a home in, that yonder city, good Lord **D A D**
 And it's not, not made by hand **A D**
 I'm going down to, that river, of Jordan **G D**
 Just to bathe, my wearsome soul **G**
 If I could just touch, the hem of his garment, good Lord **D D7 A**
 Then I know, he'll take me home **A A7 D**
 I am a pilgrim, and a stranger **G D**
 Travelling through, this wearsome land **G**
 I've got a home in, that yonder city, good Lord **D A D**
 And it's not, not made by hand **G**
