

Johnny Cash - I Came To Believe

Tom: G

I couldn't manage the problems I laid on myself
 And it just made it worse when I laid them on somebody else
 So I finally surrendered it all brought down in despair
 I cried out for help and I felt a warm comforter there

And I came to believe in a power much higher than I
 I came to believe that I needed help to get by
 In childlike faith I gave in and gave him a try
 And I came to believe in a power much higher than I

Nothing worked out when I handled it all on my own
 And each time I failed it made me feel twice as alone
 Then I cried, "Lord, there must be a sure and easier way
 For it just cannot be that a man should lose hope every day"

And I came to believe in a power much higher than I
 I came to believe that I needed help to get by
 In childlike faith I gave in and gave him a try
 And I came to believe in a power much higher than I
 Yes, I came to believe in a power much higher than I
