

Johnny Cash - I Guess Things Happen That Way

Tom: A

Well, you ask me if I'll forget my baby

I guess I will some day

I don't like it but I guess things happen that way

You ask me if I'll get along

I guess I will some way

I don't like it but I guess things happen that way

CHORUS:

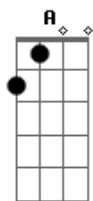

God gave me that girl to lean on, then he put me on my own
Heaven help me be a man and have the strength to stand alone
I don't like it but I guess things happen that way

You ask me if I'll miss her kisses
I guess I will every day
I don't like it but I guess things happen that way

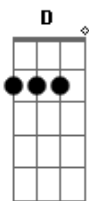

You ask me if I'll find another
I don't know, I can't say
I don't like it but I guess things happen that way

CHORUS

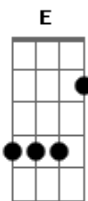

Acordes
