Bring a drink of water Leroy, bring a drink of water now, ^E
^A if I could get to the mercy man he'd give me some I know. ^E I'm going' to Memphis.

^A I got a gal in Vicksburg Bertha is her name, ^E
^A Lord, I wish I was tied to Bertha instead of this ball and chain. ^E

^A
I'm going' to Memphis, mm mm, I'm going' to Memphis. ^D
But like a bitter weed I'm a bad seed, ^A
but when the levee's thru and I am, too, ^E
^A let the honky tonk roll on, come morning' I'll be gone.
I'm going' to Memphis.

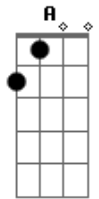

^E ^A ^A
Well, I never been to Chicago, but it must be a mighty fine place
^E I couldn't get past Tennessee with Mississippi all over my face.
I'm going' to Memphis, mm, I'm going' to Memphis. ^D

Just like a bitter weed I'm a bad seed, ^A
but when the levee's thru and I am, too, ^E
^A let the honky tonk roll on, come morning' I'll be gone. ^E
I'm going' to Memphis.

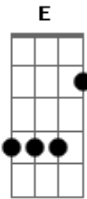

^E ^A ^A
Well, I brought me a little water in a Mr Prince Albert can,
but the boss man caught me drinking' it, ^E ^A
and I believe he broke my hand. Mm. ^E
^A Another boy is down the shovel burned him out, ^E
^A let me stand on his body to see what the shoutin's about.

^A ^A
I'm going' to Memphis, mm mm, I'm going' to Memphis, mm mm. ^D
Like a bitter weed I'm a bad seed, ^A
but when the levee's thru and I am, too, ^E
^A let the honky tonk roll on, come morning' I'll be gone.
I'm going' to Memphis, yeah, Memphis bound.
^A I'm going' to Memphis, mm.
