Johnny Cash - Meet Me In Heaven

Tom: B **G**) (com acordes na forma de Capostraste na 4ª casa Capo 4 G С D G С D We saw houses falling from the sky Out there beyond the stars D G Where the mountains lean down to the sand G D We saw blackbirds circling 'round an old castle keep D And I stood on the cliff and held your hand D We walked troubles brooding wind swept hills Instrumental G D And we loved and we laughed the pain away G D G At the end of the journey, when our last song is sung D Α D Will you meet me in Heaven someday

Acordes

Can't be sure of how's it's going to be G When we walk into the light across the bar G But I'll know you and you'll know me

We've seen the secret things revealed by God And we heard what the angels had to say Should you go first, or if you follow me Will you meet me in Heaven someday

Living in a mansion on the streets of gold At the corner of Grace and Rapture Way I n sweet ecstasy while the ages roll Will you meet me in Heaven someday

In sweet ecstasy while the ages roll Will you meet in Heaven someday
