

# Johnny Cash - See Ruby Fall

Tom: **Db**

(com acordes na forma de **C** )  
Capo traste na 1ª casa  
Capo first fret

**C** well i knew someday Ruby would be leavin` **F**  
And she wasn't happy living quietly, quietly **G** **C** **G7**  
**C** Cause she would get that bedroom look each morning **F**  
And i felt Ruby pull away from me **G** **C**

Yes she'll go downtown at 9 o'clock this evening  
Walk under that red lights then down the hall, down the hall  
Look for the highest crying girl that's Ruby

And if you wait your turn you'll see Ruby fall

**F** Don't let her know that you even know me **C**

She'll be trying to forget it all **G**

And don't tell me how it was tonight, tomorrow **C** **F**

Cause i don't want to see Ruby fall **G** **C**

Refrain 2:

I didn't hold her back when she got restless

One man is not enough when she want's it all

I let her go when i saw what she wanted

Cause i dont care to see Ruby fall

Listen to the song to get the right rythmn, and to sing it right.
