Tom: **Ab**

(com acordes na forma de **G**)
Capotraste na 1ª casa
Capo I

These are my **G** people, this is the **C** land where my **D** forefathers **G** lie
These are my **D** people, in brotherhood we're heirs of a **C** creed to
live by
A **G** creed that proclaims that by **D** loved one's **C** blood **G** stains
This is my **Am** land, and these are my **C** people **D**

These are my people, they were born on and lived by the land
These are my people, and their cities were raised by hard
working hands
And their faces do tell, that they're holding on well
To this their land, yes these are my people

These are my people, these are the ones who will reach for
the stars
These are my people, by the light of the earth you can tell
they are ours
A new step to take and a new day will break
For this my land, yes these are my people

These are my people
