

Johnny Cash - Thirteen

Tom: G

Bad luck wind been blowin' at my back,
 I was born to bring trouble to wherever I'm at.
 Got the number 13 tattooed on my neck,
 when the ink starts to itch, then the black will turn to red.
 I was born in the soul of misery, never had me a
 name,
 they just gave me the number when I was young.
 Gonna find me a preacher man, confessing all I've done,
 or you can catch me with the devil playing twenty one.
 Bad luck wind been blowing at my back,
 they just gave me the number when I was young.

I pray you don't look at me, I pray I don't look back.
 I was born in the soul of misery, never had me a
 name,
 they just gave me the number when I was young.
 Got a long line of heartache, I carry it well,
 the list of lives I've broken reach from here to hell.
 Bad luck wind been blowin' at my back,
 I was born to bring trouble to wherever I'm at.
 I was born in the soul of misery, never had me a
 name,
 they just gave me the number when I was young
 they just gave me the number when I was young.
