

Johnny Cash - Where Did We Go Right

```
E E7 A
                                                                Where did we go right
 (com acordes na forma de
                                             A )
                                                                                D
                                                                At a time, when all the world is searchin for truth
Capostraste na 2ª casa
Capo II
                                                                Is love real, we're livin proof
                D
In a world where everybody's fallin apart
                                                                And what we have is what everybody's tryin to find
One by one heart by heart
                                                                Peace of mind
      A D
You and I, stay together and we never even cry
                                                                CHORUS
Side by side
                                                                BRIDGE:
                 E-E7 A
                                                                               D
    D
       A7
In a world turned upside down Bm Bm7 A-A7 E
                                                                So many wrongs so many lovers
Bm A D
                                                                I wish they all could know what we found in one another
Our love keeps spinning around
And you know it makes me wonder
                                                                BREAK
As the rest run for their lives E E7 A
                                                                CHORUS
                                                                          E E7 A
Where did we go right
                                                                Where did we go right
```
