tom:

G

Intro: G

[Primeira Parte]

I was standing by my window yesterday mornin'
Without a thought of worry or regret
When I saw the postman comin' down the pathway
He was bringin' me a letter, edged in black

[Segunda Parte]

Well he rang the bell and whistled while he waited
Then he said good mornin' to you Jack
But he never knew the sorrow, that he brought me
When he handed me, that letter edged in black

[Terceira Parte]

With a tremblin' hand, I took the letter, from him
I broke the seal and this is what it said
Come home my boy, your dear old father, wants you

Come home my boy, your dear old mother's dead

[Quarta Parte]

The last words, that your mother ever uttered
Was tell my boy, I want him to come back
My eyes are dim, my poor ol' heart is breakin'
And I'm writin' you, this letter edged in black

[Quinta Parte]

I bowed my head in sorrow and in silence
The sunshine of my life, it all has fled
Since the postman brought that letter, yesterday mornin'
Sayin' come home my boy, your poor old mother's dead

[Sexta Parte]

Those angry words, I wish I'd never spoken
You know I never meant them, don't you Jack
May the angels bear me witness, I am asking
Your forgiveness in this letter, edged in black
