He said that I see you  
Cast your breath, it's filled with fire  
And light that's from my soul  
Holds me in stillness

[Segunda Parte]

And on the road we walk  
Seems to take a long long time  
My clothes are tattered and I'm lost  
My mind is scattered far behind

Young man sees through eyes of jewels  
And with all his thoughts  
Beating inside him

Contacting all the ones he meets  
Who can barely see  
But he can't live without them, yeah

[Quarta Parte]

With magic life and starry moon  
With starry eyes the river moves  
Beating into meet her everyone  
Beating into life the god of suns
