tom:

Intro: Em D C

[Primeira Parte]

Em D C C
Well, mm hmm, listen

When I was up, you would always come around

But when I needed a friend

Oh you could never be found

I got a hole where my heart used to be

I wouldn't treat a dog, oh Lord

The way you treated me

[Segunda Parte]

Oh when times was good

All of your loving was the same

When the going got rough

Ah you hardly knew my name

You locked me out and you threw away the key

I wouldn't treat a dog, oh babe

The way you treated me

[Terceira Parte]

Got me crying for the love that I'm needed

Begging like a dog for a bone

Oh I've spent all of my time pleading

You turned your back and you leave me

One of these old days

Lord knows it's true, when you need someone so bad

Just won't be there for you

[Quarta Parte]

Then you say as you're begging down on your knees

I wouldn't treat a dog, oh Lord

The way you treated me

The way you treated me, well now
