

Johns L - You'd Better

tom:
Capostrate na 7ª casa

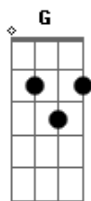

I Hope You'd better with him
Let's be honest You love him
No lie
You're really in love
And You don't have to hide it
To me
I Hope You can understand
That you're failing yourself
And you're damaging
To You too
If You think he does it too
You really know there's somebody else
You're damaging
Cause You know
This boy can't make You
Feel enough
For it
But I
I know he's gonna broke your heart
And you're gonna believe all his lies
But I
I Hope You'd better with him
He make You feel

The butterflies I said
I wish You feel special enough
With that cheat Boy with girlfriend
That just sees You like another thing
For Kiss if gets bored
Uhhhh
(Karma is gonna make You pay it all Whoa)
I Hope You'd better with him
He make You feel
The butterflies I said
I wish You feel special enough
With that cheat Boy with girlfriend
That it's gonna change to You
In two days
Or three maybe
And he's gonna lie You more
Than You lied to me
Cause life works this way
The way You treat me
Is gonna return to You
(Em C)
But now
(Em C)
Now
I Hope You'd better with him
