Intro: **Em** **G**

[Primeira Parte]

Em
Wide awake, gettin' half-past zero

(Leave the windows?open)

Em
Preoccupied?with the late?night B-roll

Right now, laying here alone?is heaven

(Here alone is heaven)

[Pré-Refrão]

And I've **Cadd9** been a hero, helpless

I'm in hell

And I've **Cadd9** cried up and down in these hallways

Blamed myself

[Refrão]

Bad luck, I don't wanna be home at midnight

Sun's up, I don't really wanna fight the daylight

I don't care if you moved on

I'm not layin' in bed with a fucked-up head

I'm not layin' in bed with a fucked-up

[Segunda Parte]

Em
Sun-dried on the backyard patio

Drunk eyes 'cause I didn't give it a home run

Yeah, yeah

Em
You're hiding on the FM radio

I sing along just to sing my thoughts at someone

Yeah, yeah
