

Joji - I Don't Wanna Waste My Time

Tom: **A**
Intro: **E7M D**

E
I don't wanna waste my time
A
If I can't be by your side
E
You really shouldn't think about that
A
If she can't see where you hide
E
And we don't gotta talk about nothing nice
A
If you wanna come down
E
And she don't gotta know about nothing
E
And she don't gotta know
E7M
If the stars collide
D
Will she relieve my soul?
E7M
And when we feel alive
D
We know she'll let me go
E7M
When you need my lips
D
I know you feel all cold
E7M
But I promise you my heart is made of gold
D

E
I don't wanna waste my time
A
If I can't make you decide
E
You are only on my mind when I need you
A
E
I don't need to know about
A
What you do when the sun goes down
E
Cuz I don't gotta know about nothing
A
Cuz I don't gotta know
E
Cuz I don't gotta know
A
Cuz I don't gotta know
E7M
If the stars collide
D
Will she relieve my soul?
E7M
And when we feel alive
D
We know she'll let me go
E7M
When you need my lips
D
I know you feel my cold
E
But I promise you my heart is made of gold
D
