

Joji - Love Us Again

tom: C

C7M

So pretty
Unconventionally pretty, yeah

F7M

Had to work twice as hard
To never hurt your feelings

C7M

No entry
Trespasser of the century

F7M

Trusting me is twice as hard
I can help you if you let me

C7M

Either way, either way, either way, either way
You would've been fine

F7M

Write a page, write a page, write a page, write a page
I'ma write a long time

C7M

Please survive, live your life
Mine are wet, yours are dry

F7M

Can you say, can you say, can you say, can you say

I'm not the right type

C7M

Oh really
You don't notice that I'm ugly

F7M

They don't know
I'm not afloat

C7M

Appreciate the silence
Nothing here on my end

F7M

Please feel free to send a signal
Please feel free to miss me a little

C7M

Either way, either way, either way, either way
You would've been fine

F7M

Write a page, write a page, write a page, write a page
I'ma write a long time

C7M

Please survive, live your life
Mine are wet, yours are dry

F7M

Can you say, can you say, can you say, can you say
I'm not the right type
