Tom: **G**

D7M
Last night I lost all my patience
A
You were fucked up, I was wasted
D7M
Midsummer madness
A
I can't take it no more, no more
D7M

Make it make sense
Make it make sense, I
A
Can't hide a heart in a black tint, I
You were off the bullshit and the tablets
Under 21, both savage
D7M
All these blurry nights feel the same to me
Heart full of hate, no vacancy
A
Only one you gon' to blame when it's over
Can't look me in my eyes when you sober
D7M
Hey, I'm the one you call when you feel alone
Running up a check just to help you cope
A
I just want to live in the moment
You just want to fight cause you lonely
D7M
Tryna see a Milly then be really up
Rockstar crash in my Bentley truck
A
You need all my love
You've got all the love

D7M
Last night I lost all my patience
A
You were fucked up, I was wasted
D7M
Midsummer madness

You say let's see where it goes but I don't really wanna wait
D7M
Ay, look and listen up
You've been smiling when we fuck
Let's not even think about it we ain't gotta talk a lot
A
Make it hotter than the summer, I'll stay with you when it's
not
Put the slow jam's on, I wanna see you make it pop, ay
