Tom: **G**

**D**  
Last night I lost all my patience

**A**  
You were fucked up, I was wasted

**D**  
Midsummer madness

**A**  
I can't take it no more, no more

**D**  
Fuck the ru-u-u-ules  
Ru-u-u-ules

**A**  
Ru-u-u-u-oh

**D**  
Fuck the ru-u-u-ules  
Ru-u-u-ules

**A**

Make it make sense  
Make it make sense, I

**A**  
Can't hide a heart in a black tint, I  
You were off the bullshit and the tablets  
Under 21, both savage

**D**  
All these blurry nights feel the same to me  
Heart full of hate, no vacancy

**A**  
Only one you gon' to blame when it's over  
Can't look me in my eyes when you sober

**D**  
Hey, I'm the one you call when you feel alone  
Running up a check just to help you cope

**A**  
I just want to live in the moment  
You just want to fight cause you lonely

**D**  
Tryna see a Milly then be really up  
Rockstar crash in my Bentley truck

**A**  
You need all my love  
You've got all the love

**D**  
Last night I lost all my patience

**A**  
You were fucked up, I was wasted

**D**  
Midsummer madness

**A**  
I can't take it no more, no more

**D**

You say let's see where it goes but I don't really wanna wait
