

Joji - Run

A tom:
Em Gbm6 G
Am Am

Am Em
I fell for your magic, I tasted your skin
Gbm6 G Am
And all this is tragic, at least I found the end
I would miss your madness, you shed light on my sins
Em Gbm6 G
And if we share in this sadness, then where have you been?

Am
I know you're not alone, like you used to be
Am
?Cause I'm not the one, like you used to think
Em Gbm6 G
So you just run
Am
I know that i'm stuck, in this misery.
Am
Guess I'm not enough, like you used to think

Em Gbm6 G
So I'll just run
You bathe in your victory
You blew out all my fumes
And if I took on the planet
Will I pay my dues?
Your love was a mystery
Yeah my love is a fool
And I travel the country just to get to you

Am
I know you're not alone, like you used to be
Am
?Cause I'm not the one, like you used to think
Em Gbm6 G
So you just run
Am
I know that i'm stuck, in this misery.
Am
Guess I'm not enough, like you used to think
Em Gbm6 G
So I'll just run
And I travel the country
And I travel the country just to
I know you're not alone
I know you're not alone
I know you're not alone
