

# Joji - Slow Dancing In The Dark

Tom: **F**

I don't want a friend  
I want my life in two  
Waiting to get there  
Waiting for you

When I'm around slow dancing in the dark  
Don't follow me you'll end up in my arms  
You done made up your mind  
I don't need no more signs  
(Can you?) Can you?

Give me reasons we should be complete  
You should be with him, I can't compete  
You looked at me like I was someone else, oh well  
Can't you see?

I don't wanna slow dance  
In the dark, dark

**F**

When you gottarun  
Just hear my voice in you  
Shutting me out with you  
Doing so great, yeah you

Used to be the one to hold you when you fall  
I don't fuck with your tone

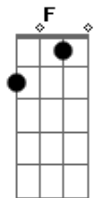

I don't wanna go home  
Can it be one night?  
(Can you?) Can you?

Give me reasons we should be complete  
You should be with him, I can't compete  
You looked at me like I was someone else, oh well  
Can't you see?

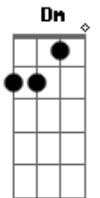

I don't wanna slow dance  
In the dark, dark

In the dark, dark  
In the dark, dark
